

COORDINATOR COMMUNICATION GUIDE

Building "Digital Trust" Through Clarity

WHEN TO CONTACT (The "Must-Call" List)

Situation	When	Example Message
SAFETY HAZARDS	Immediate	"At 123 Main St. Gas leak detected at meter. Left property immediately. No photos taken. Please advise."
ACCESS DENIED	Within 15 min	"At 456 Oak Ave. Occupant denied entry when interior required. Completed exterior. Property appears occupied. Requesting confirmation."
SCOPE MISMATCH	Before starting	"Work order says Single Family but property is 4-Unit building. Please confirm scope before proceeding."
PROPERTY NOT FOUND	Within 30 min	"Unable to locate 789 Elm St. GPS shows address but no structure. Verified ZIP and street. Requesting confirmation."

WHEN NOT TO CONTACT (Save Time)

- Questions answered in the work order (read it first!)
- Standard payment inquiries (unless overdue per contract)
- Minor delays under 30 minutes
- Standard procedure questions (photo requirements, timestamps, etc.)
- Personal issues preventing work (just request reassignment)

STANDARD FIELD SCRIPTS

KEY EXPECTATIONS

- ✓ **Response Time:** Acknowledge all coordinator queries within 4 hours during business hours
- ✓ **Confidentiality:** Never discuss loan status with neighbors or tenants; adhere to GLBA privacy guidelines
- ✓ **Professionalism:** Keep messages concise, include order ID and address, state specific issue
- ✓ **Problem-Solving:** Show you handled situation professionally and offer solutions
- ✓ **Proactive:** Communicate issues as they arise, not after the fact

WHAT COORDINATORS APPRECIATE

- Fast response to rejections (within 4 hours)
- Proactive communication about real issues
- Problem-solving mindset (not just reporting problems)
- Professional tone in all messages
- Clean submissions that don't require corrections

WHAT COORDINATORS HATE

- Excessive texting (blow-by-blow updates)
- Arguing about rejections (coordinator decides quality standards)
- Excuses (life story about why you couldn't complete)
- Unnecessary questions (answered in work order)
- Slow response to messages (over 4 hours)
