

REJECTION RESPONSE TEMPLATE

Professionalism in the Face of Revisions

READING REJECTION NOTICES

Component	What to Look For	Action
REASON	Specific data point missing or incorrect	Note exact issue (e.g., "Missing rear photo")
ROOT CAUSE	Why was it missed?	Identify pattern: technical spec fail? note contradiction?
PRIORITY	How urgent is the fix?	HIGH: missing address, safety hazard MED: blurry photo LOW: typo

THE "STANDARD PROFESSIONAL" RESPONSE EMAIL

Subject: Order [ID] - [Address] - Revision Complete

Body:

"Hi [Coordinator Name],

I have updated Order [ID]. The requested [Photo/Note] has been [Added/Corrected].

I have implemented a new **Prevention Rule** (e.g., 'Always shoot tight+wide address') to ensure this does not recur.

Thank you for the feedback.

[Your Name]"

Example:

"Hi Sarah,

I have updated Order 12345. The requested foundation damage photos have been retaken with better lighting (context + detail shots now included).

I have implemented a new Prevention Rule: 'Take 2-3 shots of each damage area and zoom to verify clarity before leaving property.'

Thank you for the feedback.

John Smith"

RESUBMISSION CHECKLIST

	Step	Timeline
1	Log the rejection in your personal Revision Tracker	Immediately
2	Apply the fix to meet turnaround benchmark	Within 24-48 hours
3	Upload updated file and save confirmation screenshot	Same day as fix
4	Send acknowledgment email (if appropriate)	Within 4 hours

5	Update prevention checklist to avoid repeat	Before next job
