

CREDENTIAL & CERTIFICATION ROADMAP

Credential Stacking Strategy: Eliminate entry barriers across multiple verticals

1. UNIVERSAL FIELD CREDENTIAL: THE SHIELDID (ABC#)

Attribute	Details
Cost	~\$25 registration + ~\$65 annual check
Timeline	~1 week for approval
ROI	Mandatory for all top-tier mortgage and preservation firms (Wells Fargo, MCS, Safeguard, etc.)
IC Rating	Must achieve IC01 (clean record) for on-site inspections

2. HEALTHCARE LOGISTICS CERTIFICATIONS (HIPAA & BBP)

Attribute	Details
Cost	Minimal online course fees (~\$25-50)
Timeline	Immediate upon completion of 1-2 hour training
ROI	Grants access to medical specimen and pharmaceutical delivery contracts that pay hourly rates regardless of parcel count
Compliance	Failure to maintain can result in \$50,000 fines per violation

3. FEDERAL/DISASTER CREDENTIAL (MBI)

Attribute	Details
Cost	Often sponsored by contractors like WSP
Timeline	Weeks to months due to neighbor interviews/fingerprinting
ROI	Deployment rates can reach \$200+ per job during peak disasters
Requirements	Clean credit, no tax debt, no student loan default, full disclosure of criminal history

4. PROFESSIONAL LIABILITY INSURANCE (GL & E&O;)

Attribute	Details
Cost	~\$61/month average

Requirements	Minimum \$1,000,000 per claim / \$2,000,000 aggregate
ROI	Required by all reputable firms to protect you from claims of professional negligence or property damage
Coverage Types	GL: Physical damage (breaking window) E&O: Professional errors (faulty report)
